

Minutes of the Lanes Cove Historic Association (LCHA)
October 7, 2023

Location: The meeting was held at The Big Shack.

Present at the Meeting: Thadd Carpen, Barbara Jobe, Chris Nulty (vice president), Marissa Morris, Ralph Pisaturo (president), Julie Sablone (secretary), and Linda Story

Guests: Nicole Coles

The meeting was called to order by President Ralph Pisaturo at 9:00 am. The focus of this meeting was to finalize all plans for the October 14th fundraiser.

Ralph will check with Paul Hadley about the tents as the long-range forecast is for rain. He said all the musicians are lined up and he reviewed what items he would be donating for the silent auction and raffle. The tee shirts will be available to order – however, a minimum of 20 shirts is needed to make an order. When asked how the prices for the silent auction are determined, Ralph said 60% of the retail price would be the starting bid. He passed out posters for members to post around town.

Linda Story presented three pictures that were donated to the fundraiser by Nancy Kwant. A large photo of Lanes Cove will be framed and auctioned off and two smaller photos will be placed in the silent auction. Linda said she and Cape Ann Veterinary donated a large dog goodie basket which will be raffled, and a piece of pottery donated by Anni Melancon which will be on the silent auction table.

Ralph said he would go to the big shack around 9 to set up and asked for volunteers to help him.

The meeting was adjourned at 9:20 by Chris Nulty.
